ORGANIC PRUNE JUICE

Taylor Brothers Farms organic prune juice is made from the plumpest, juiciest, sweetest organic dried plums we harvest. Our organic prune juice is wholesome, nutritious and—naturally—sweeter than industry standards.

- No sugar added!
- Pure juice—never made from concentrate!

Prune juice contains more iron than any other juice, and it's an important source of potassium: one cup (8 fluid oz) of prune juice provides about 14% (2.6 mg) of the Daily Value of 18 mg. (Note: Since it contains natural sweetening agents—i.e. fructose and sorbitol—rather than sucrose, or “white sugar”, prune juice does not cause spikes in blood sugar.)

Basic Specs

- Shelf life/storage: 24 months, at room temperature
- Packaging: 32 oz PET bottles, 12 per case, and 64 oz PET bottles, 8 per case
